

# Freethought Society of the Midlands

## Business Meeting

April 16, 2014

*Location: Grecian Gardens Restaurant*

*Number of Attendees: 11*

Dean Smith told the group that we were almost able to apply for our business checking account. Dean, Elaine and Lil are planning to go to the credit union to establish our credentials and will report next meeting.

Andrea Moore distributed her FSM-themed jewelry. Douglas showed the group the keychain that he had modified from one of Andrea's lockets. It was a very attractive alternative use of the lockets.

There was a discussion about the need to formalize the FreeThought Society meetings. Currently, Lil Dowdey is working on a draft of by-laws for the group. We will be meeting to go over those soon.
